Style You Can Really Hold On To

A Firm Grip on Design
Embrace your style with the soft silicone sleeve that’s designed to look as good as it feels. Lazer-etched and formed to feel good in your hand, it gives your device style and grippability, while the shock-absorbent material provides maximum protection.

Fit for Anything
The enhanced design embraces your iPhone with an improved fit, and the strong, flexible silicone is rugged and durable. There’s even a slot for charging your device in the case.

Features

- Access to all controls & dock connector
- Allows charging while in case
- Textured design for extra grippability
- Form-fitting construction
- Camera lens cutout
- 1 Year Limited Warranty
